

Sponsorships packages

The MoodleMoot Norway conference takes place 11th and 12th of June 2025 at Lillehammer Kino in Lillehammer, Norway. We want to bring the Norwegian Moodle community together and share plans, ideas, best practices and experiences. The host will be Efaktor AS which is the sole Moodle Premium Partner in Norway. With two decades of experience with Moodle, we have a good standing to host an event like this.

We will have remote sessions with Moodle HQ resources through live streaming and also some in person on site. The rest of the program will consist of Efaktor and several clients sharing how they use Moodle at its best.

The conference is targeted at our around 130 clients and other Moodle users in Norway, hoping to gather up to 140 participants.

Our clients include both corporate and educational organizations, as well as health care and government agencies. We will see both CEOs, managers, HR resources, course developers and teachers at the conference.

YOUR SUPPORT COULD

- Build your brand within the Norwegian Moodle Community
- Allow you to reach a wider demographic and a new audience
- Grow your on site and screen branding in Norway as a sponsor
- Generate more business for your brand

WHAT CAN YOU EXPECT?

- Engage with participants and provide product information and demonstration
- Present your product during the Moot as a part of the program

Interested? **Contact:** anita@efaktor.no
